

**TIMETABLE 6 SEMESTER**  
 Расписание студентов 3 курса 6 семестра Университета Южной Азии  
 специальность "Лечебное дело" на I полугодие 2024-2025 учебный год

| Days        | Time        | Pair            | 1-DGP-T-2-21                                       | Class | 2-DGP-T-2-21                                      | Class |
|-------------|-------------|-----------------|--|-------|---|-------|
| Monday      | 8.00-9.35   | I               | Traumatology and orthopedics lec.                  |       | A3  |       |
|             |             |                 | Combustiology lec.                                 |       |   |       |
|             | 10.00-11.35 | II              | Traumatology and orthopedics pr.                   | A3    |   |       |
|             | 12.00-13.35 | III             |  |       | Traumatology and orthopedics pr.                  | A3    |
|             | 14.00-15.35 | IV              |  |       |   |       |
| 16.00-17.35 | V           |                 |  |       |   |       |
| Tuesday     | 8.00-9.35   | I               | Combustiology pr.                                  | A3    | Combustiology pr.                                 | A3    |
|             | 10.00-11.35 | II              |  |       |   |       |
|             | 12.00-13.35 | III             | Pediatric surgery with pediatric traumatology lec. |       | A3  |       |
|             | 14.00-15.35 | IV              | Pediatric surgery with pediatric traumatology pr.  | A3    | Colposcopy pr.                                    | A4    |
|             | 16.00-17.35 | V               | Colposcopy pr.                                     |       | Pediatric surgery with pediatric traumatology pr. |       |
| Wednesday   | 8.00-9.35   | I               |  |       |   |       |
|             | 10.00-11.35 | II              |  |       |   |       |
|             | 12.00-13.35 | III             |  |       |   |       |
|             | 14.00-15.35 | IV              | Epidemiology lec.                                  |       | 108   |       |
|             | 16.00-17.35 | V               |  |       |   |       |
| Thursday    | 8.00-9.35   | I               | Epidemiology pr.                                   | A3    |   |       |
|             | 10.00-11.35 | II              | Propaedeutics surgical diseases                    | A3    | Epidemiology pr.                                  | A4    |
|             | 12.00-13.35 | III             |  | A3    | Propaedeutics surgical diseases                   | A4    |
|             | 14.00-15.35 | IV              | Paedeutics pr.                                     | A3    | Propaedeutics of internal diseases pr.            | A4    |
|             | 16.00-17.35 | V               | Propaedeutics surgical diseases lec. Ailtheev      |       | 108   |       |
| Friday      | 8.00-9.35   | I               | Propaedeutics of internal diseases pr.             |       |   |       |
|             | 10.00-11.35 | II              | Obstetrics and gynecology lec.                     |       | 108   |       |
|             |             |                 | Colposcopy lec.                                    |       |   |       |
|             | 12.00-13.35 | III             | Obstetrics and gynecology pr.                      | 211   |   |       |
|             | 14.00-15.35 | IV              |  |       | Obstetrics and gynecology pr.                     | 211   |
| 16.00-17.35 | V           | Paedeutics lec. |  | 108   |   |       |
| Saturday    | 8.00-9.35   | I               |  |       |   |       |
|             | 10.00-11.35 | II              |  |       |   |       |
|             | 12.00-13.35 | III             | Nervous diseases with neurogenetics lec.           |       | 204   |       |
|             | 14.00-15.35 | IV              | Nervous diseases with neurogenetics pr.            | 204   | Paedeutics pr.                                    | 206   |
|             | 16.00-17.35 | V               |  |       | Nervous diseases with neurogenetics pr.           | 204   |

|    |   |                  |
|----|---|------------------|
| 1  | Propaedeutics of internal diseases            | Mergenbaeva J.K. |
| 2  | Nervous diseases with neurogenetics           | Sydykova K.B.    |
| 3  | Paedeutics                                    | Tursunaliva Z.   |
| 4  | Pediatric surgery with pediatric traumatology | Usupov U.T.      |
| 5  | Propaedeutics surgical diseases               | Ayitkeev A.U.    |
| 6  | Combustiology                                 | Tolobaev D.T.    |
| 7  | Traumatology and orthopedics                  | Tolobaev D.T.    |
| 8  | Obstetrics and gynecology                     | Muralaliev A.N.  |
| 9  | Epidemiology                                  | Adylbaev M.I.    |
| 10 | Colposcopy                                    | Muralaliev A. N. |
